Xerox WorkCentre® 5225
Multifunction Printer
Productivity, flexibility and simplicity
Redefining workgroup productivity

Whether your workgroup needs exceptional copier performance or the added power of printing, scanning and faxing, the WorkCentre 5225 is all about productivity. A host of time-saving features boost your team’s efficiency, and advanced workflow solutions streamline the tasks you perform every day.

- **Print and copy speeds up to 25 ppm and a scan speed of up to 55 ipm** keep up with your busy pace.
- **A robust copier** that can handle your workgroup’s volumes, and offers convenient features including ID card copy, which scans both sides of an ID card and prints them face-up on a single sheet of paper.
- **Powerful scanning tools** let you back up critical documents — converting them into digital files for easy sharing and archiving while reducing the amount of physical storage space required.
- **Introduce new workflows or automate repetitive processes** within the office environment by automatically routing documents to predefined locations at the touch of a button.
- **With color scanning** available on the 5225A configuration*, users can take advantage of all the benefits of scanning while maintaining the original look and feel of full color documents.

Simplicity in design

With fast deployment and easy support, your WorkCentre 5225 is ready to deliver the performance you need, when you need it. Helpful tools make it easy to maintain complete control — allowing you to keep costs to a minimum.

- **Cost control features** include an internal Auditron, which lets administrators set limits for print, copy, fax and scan functions by user.
- **Confidential data stays private** over your network thanks to features such as network authentication, print and scan encryption for safe data transfers, and image overwrite.
- **Xerox CentreWare Internet Services** simplifies installation and network administration, providing quick access to device status. Automatic email alerts notify administrators or users of events that require attention, such as low toner levels.
- **PC, Mac or Unix**, the WorkCentre 5225 excels in any environment.
- **MeterAssistant™** automatically collects and securely submits your device meter reads to increase billing accuracy, while SuppliesAssistant™ proactively manages toner supplies and monitors usage to ensure you have the right supplies at the right time.
